REF.: Docket 99P-0033/CP1

Dear Commissioner Henney;

This letter is to demand that you act immediately on the HFA petition to put an end to the practice of feeding dead pigs, horses and other animals to other farm animals! Cows are NOT meat eaters by nature and they shouldn't be forced to eat dead animals. This is very disgusting and should be stopped at once. It is certainly a macabre practice and should have never been allowed!

Sincerely,

*Donna Thomason*
